

Md Hushibul Haque Bhuiya

Web Developer

Phone: +8801629029583

Email: nayeemninz786@gmail.com

I am Hushibul and I am a full stack developer. I have been working with the front-end technology for 2 years. I recently started working with backend system. I love learning with new technologies and like to master them. Hard worker experienced in problem-solving, service and time management. Aiming to leverage my abilities to successfully fill the web developer role at your company.
